Descripton of accommodation

Quiet with a view of the countryside and good connections to the bus and motorway.

This beautiful, freshly renovated 3,5 room flat on the 1st floor with a fantastically large south-facing balcony captivates with its spacious rooms, the cosy wooden parquet flooring, the view of the greenery and the view of the mountains!

It consists of a spacious entrance hall, two bedrooms, a large living room with adjoining dining room, a kitchen with new fitted kitchen, a bathroom with bathtub, a guest toilet and a storage room.

A carport parking space belongs to the flat and, if required, also a cellar compartment.

Due to the bordering with many trees and the location in the second row on Mitterweg, the flat is very quiet and relaxing. The south-facing balcony is covered, so it stays pleasantly cool in the flat in summer.

Other details of the flat:

Wood-aluminium windows with triple glazing (as good as new).
