Description of accommodation

●●● 40m² flat with park view in the central, super lively fifth district of Vienna, one century old building, second floor, no lift. Small entryway, slim bathroom, compact kitchen, 20 m² living room, 10 m² second room.

Bed linen, towels, cooking utensils, etc. included + fast internet to top it off!

- The entryway offers space for coats, jackets and shoes and holds also a medicine cabinet with essentials.
- The slim bathroom welcomes you with a big window onto a small yard, a toilet, a washing basin with mirror cabinet above it and a shower.
- The wall between entry, bathroom and kitchen is entirely built of glass bricks, so daylight is everywhere!
- In the compact kitchen you find cooking hob, a large microwave with grill and a spacious fridge/ freezer. The famous De'Longhi Dedicca espresso machine is waiting for you on the counter. Laundry machine and dishwasher are newly installed. Of course there is enough room for storage. All electrical appliances are new!
- In the living room a difficult choice waits for you: If you seek recreation the analog way, help yourself from the huge library wall with top choice books in four languages (EN,DE,IT,FR). If you rather need recreation of the digital kind, switch on the 77 inch TV with the Bose soundbar and relax on the big 'Roland Rainer'-leather sofa. And if you prefer working on your fitness, just grab some weights of the variable dumbbell set!
- The second room can be entered from two sides, one entrance leads into the wardrobe, the other entrance brings you to your desk with a luxurious leather swivel chair. Between these two areas waits your wooden (no metal!) King Size Bed (180cm) with a brand new mattress.
- You surely will love your time in Vienna!
