Descripton of accommodation

The old town apartment is located on the fourth and fifth floors of the residential building at Getreidegasse 32, easily accessible by elevator from the first floor to the fourth and fifth floors, or more sportily via an authentic old town staircase. On the fourth floor there is a spacious living area and work area with a wardrobe, access to the bedroom, bathroom and toilet. A modular sofa offers additional sleeping space for one or two people. The east-facing, quiet bedroom offers a view of the inner courtyards of the old town. The bathroom is equipped with two sinks, a shower and a bathtub and there is a separate toilet. The wall construction elegantly conceals a washing machine, dryer, vacuum cleaner system and enough space for cleaning utensils. We come to the fifth floor via the internal staircase and enter the area for cooking and lingering - a modern kitchen equipped with a certain luxury and a kitchen bar. From here you already have creative views of the city. Adjacent is a large dining table and a comfortable couch with a view and exit to the atrium. From the atrium, a staircase leads to the roof terrace with a 360° panoramic view of Salzburg's old town.
