Description of accommodation

Object description

* Light-flooded, renovated apartment in the beautiful Nonntal, not far from the Unipark. The flat is divided into an anteroom, bathroom with washing machine and a living/bedroom and is located on the 3rd and thus penultimate floor of the house. The property has been completely renovated (new floors, new kitchen (including induction hob), new lamps, Venetian blinds, new double-glazed windows, etc.).

A special feature of the quietly situated flat is also the light-filled double-glazed window, which gives a cosy, quiet living comfort with a view of the greenery. The flat has a parking space and a cellar compartment, bicycle room and, of course, a laundry room with Miele appliances.

* The infrastructure - Everything within a few minutes walking distance: Unipark Nonntal (Paris Lodron University), pastry shop, butcher, bank, tobacconist, post office, fitness, hairdresser, café, supermarket, flower shop, pharmacy, doctor, etc. Hellbrunner-Allee is directly behind the house.
